# UNICART

INTERNATIONAL CONFERENCE  
ACADEMIC RESEARCH & TOURISM

#### Introduction

Some universities in the Mediterranean area, together with various international research institutes, invite you to take part in the **third interdisciplinary UNICART Conference** to study and develop together the potential aspects of the topics specified below:

- Agriculture, food and their protections
- Archaeological and cultural heritage
- Climate, environment and biodiversity
- Computer systems and Information systems
- Economy, finance and development
- Engineering and architecture
- Health and wellbeing
- Legislation and mediation
- Management
- Maritime sciences and sea protection
- Politics and *policy*
- Social responsibility and sustainability
- Social sciences and psychology
- Statistics and demography
- Territorial development strategies
- Tourism
- Transport and security

#### Organizers

The conference is organized in close collaboration among:

- International Academic Research Center – USC, IARC – USC Tirana (Albania)
- Ismail Qemali University - Vlore (Albania)
- Universitas Sancti Cyrilli A.D. 1669, La Valletta (Malta)
- CEDIMES (*Coordination d'Etudes du Développement International et des Mouvements Economiques et Sociaux*) - Réseau Académique International Francophone, Paris (France)

International Academic  
Research Center

Ismail Qemali  
University - Vlora

Universitas Sancti Cyrilli  
A.D. 1669

International Francophone

### Official conference languages

The conference will take place in three languages: English, French, Italian.  
If slides are used, they must necessarily be made in English.

### Live Presentations (in presence):

The papers must be submitted by the authors within the maximum allotted time of 12 minutes.

### Remote presentations (virtual presentations):

Authors who cannot be physically present have the opportunity to participate remotely through the ZOOM platform. The presentation, which will be broadcast live during a session dedicated to the Conference, can have a maximum duration of 12 minutes.

### Conference proceedings

The conference proceedings will be published online in a *Proceedings Book* (with ISBN) by October 30, 2020.

### Research and Cooperation

During the days of the conference, the program committee will organize a session to present scientific initiatives and to search for partnerships. In this session, subjects and institutions participating in the 3<sup>rd</sup> UNICART will be able to present research projects or programs, with the aim of defining collaboration agreements with other subjects and institutions interested in the same issues.
